

YOU MATTER — JOIN THE STUDY.

Join the ***UMMATR study*** investigating relationships between antidepressants and women's gut health and microbiome. You can earn up to \$200 in compensation for your participation.

WHAT'S INVOLVED:

- Fully remote participation
- 1 call with staff to discuss the study
- Complete online surveys
- Receive a sample collection kit by mail
- Collect 2 at-home stool samples
- Receive up to \$200 in compensation

YOU MAY BE ELIGIBLE IF YOU ARE:

- Over 18 years old
- Newly prescribed SSRIs and have not started them
